

Hi All,

It's an exciting time of the year, spring is just around the corner and the finals are kicking off this weekend for our U19's. Everyone at the football club from the coaches, to the guys in the canteen and kitchen to the team managers and players have worked extremely hard this season to allow the club to once again be in the position to challenge for premierships. With the end of the season approaching, we need to keep an eye on planning for 2015. To continue the good work that has been done by many, we are looking to recruit to our committee for next season. Just like a football team we have people who have come to the end of their careers and step away and these positions need to be filled by new recruits looking to contribute something to their footy club and make a small difference but in a big way. Currently I am recruiting for the below positions for 2015. If you are interested in any of these roles, or would like to have a chat about joining the committee for 2015 then we would love to hear from you.
